

Université Claude Bernard Lyon 1

ComRI (Relations internationales)

*You are a **student** and you want to go abroad for a Master 1 or Master 2 internship ?*

*You are a **PhD student** or a **post-doc** and you want to work in a laboratory abroad ?*

The **UFR Bioscience** launches calls for tenders to subsidize sustainable means of transport for these types of trips.

Mobility grants can be combined with other types of support or grants (e.g. Erasmus+, Erasmus mundus regional mobility grants, etc.)

2 calls for tenders during the year :

- In September/October for departures in January/February
- In March/April for departures in June/July
